

Hi, We're Faye. We Eat Software.

At Faye, we love software. We eat it, breath it, and build it. Our mission is to make the best software in the world even better by helping clients with software strategy, deployments, integrations and technical support.

With us is better than without us. As an Inc 5000 award winner 7 years in a row, we help mid-market and enterprise clients globally achieve up to 10x productivity returns by leveraging the hidden potential within Zendesk, SugarCRM, Salesforce, HubSpot, and more.

<p>1</p> <p>Efficiency Reviews</p> <p>Uncover your biggest gaps and identify the areas for improvement with Faye efficiency reviews.</p>	<p>2</p> <p>CX Strategy</p> <p>Unlock the full potential of your software and set your team up for success with a powerful customer experience strategy.</p>	<p>3</p> <p>Implementation & Migration</p> <p>Drive digital transformation with world class migration and software implementations.</p>
<p>4</p> <p>Custom Software & Integrations</p> <p>Integrate software with your entire stack using Faye's pre-built integrations and custom software development team.</p>	<p>5</p> <p>Onboarding & Training</p> <p>Whether onsite or remote, Faye offers software training, documentation, onboarding and refreshers.</p>	<p>6</p> <p>Technical Support & Optimization</p> <p>Keep software humming and use data to inform better business decisions with Faye as your software optimization partner.</p>

Move beyond out of the box with AXIA

Our flagship offering, AXIA by Faye™ bundles our IP, capabilities and pre-built software enhancements into one monthly or annual subscription. The result - A partnership that drives lasting value and optimization even as you grow. Reach out to find out more.
