

DROPBOX FOR SUGAR®

Dropbox gives you one place for all of your stuff, where ever you are. Faye gives you two. With the Faye SugarCRM Dropbox integration you now have the freedom and control of Dropbox inside your CRM.

The Faye SugarCRM Dropbox Integration Application, you can manage, access, and share any amount and type of file on Dropbox within Sugar, ensuring your sales team has the most up-to-date materials.

You can also create shared workspaces within Sugar to collaborate with colleagues, partners, and customers. In addition, sales people can email files, edit documents, fax agreements, and sign contracts within Sugar using services from Dropbox's other integrated service.
